

CORPORATE PROFILE

NOW THERE'S EVEN MORE WITH GIBSON

OUR HISTORY

Doug Gibson started building retail stores in Australia in the 1920's, growing with Australia's largest retailers and establishing Gibson Shopfitters to serve his expanding client base. Over the decades Gibson Shopfitters has been at the forefront of retail fixture design, manufacture and installation, and is proud to be a member of the ShanYoung Group today.

MORE VALUE WITH GIBSON

With the backing of ShanYoung, Gibson can offer its Australian clients more – More innovation in materials and design. More offshore opportunities including lighting and point of sale products. More options for faster, cheaper transport solutions. More, in fact, of everything Gibson is already famous for.

YOUR GLOBAL PARTNER

We can leverage new global networks to help Australian brands expand offshore.

We can offer our efficient, cost effective 'shop in a box' – shipping everything you need in one container.

With a base in Shanghai, we can ship for a flat rate to any Australian port, which means faster transport at lower cost to our clients.

DESIGN

Everything starts with an idea and at Gibson. We seek and retain the brightest design talent to ensure we remain at the forefront of retail fixture design in Australia. We are experts in cost engineering, delivering savings to our clients through innovation and access to the latest materials and finishes.

MANUFACTURING

We are expert builders of joinery, glass, metal and solid surface. We manufacture in our Australian or offshore factories as required delivering the best possible value and quality for our clients.

RETAIL SHELVING

Gibson designed the Australian standard of retail gondola shelving in Australia, and continue to supply industry leading equipment today. Off the shelf products are available for supermarket, convenience, liquor, hardware and pharmacy solutions.

PROJECT MANAGEMENT

Our expert project managers can deliver complete turnkey retail solutions for clients, handling multi-million dollar projects from start to finish across the country.

From concept to completion, Gibson has the scale and reach to undertake the largest of project rollouts across the country. From fixture only supply to complete project management outcomes Gibson has the experience and backing to meet the needs of Australian retailers.
